

Elk Grove – Galt Community Emergency Response Team

Form 1003

Damage Assessment Sketch

Instructions: This form is a supplement to the Damage Assessment form. Without endangering the team, draw a sketch of the structure or facility to identify points of entry, blocked entries, utility locations and vehicle access. Identify the location of smoke/fire, leaking water, downed power lines, hazards and victims.

Location/Address: _____ Floor Number: _____

Prepared By: _____ Date: _____ Time: _____

(Include approximate North arrow on this sketch)
